About Us

We focused on quality products and upscale projects. We strive to provide our clients with the best possible design and products for high end-minded commercial and private individuals who only expect the best of what life has to offer.

Our Mission

Mahayni is a solutions-driven EQUIPMENT company for the supply and implementation of the Hotel, Restaurant and supplying them with the appropriate equipment.

Our Vision

MaHayni can provide your company with a turn-key service incorporating products, supplies, equipment, and training. We offer a unique approach that combines best-practice processes with best in-class technologies, resulting in savings of cost and time quality products within the many fields.

Project Leaders

A team of experts consisting of engineers and technicians who study the projects to be launched and provide advice, design and implementation of the project and ensure operation in addition to technical follow-up

Laundry

We design experiences of pure beauty to assist people at all times of their lives.

beauty starts with clean.

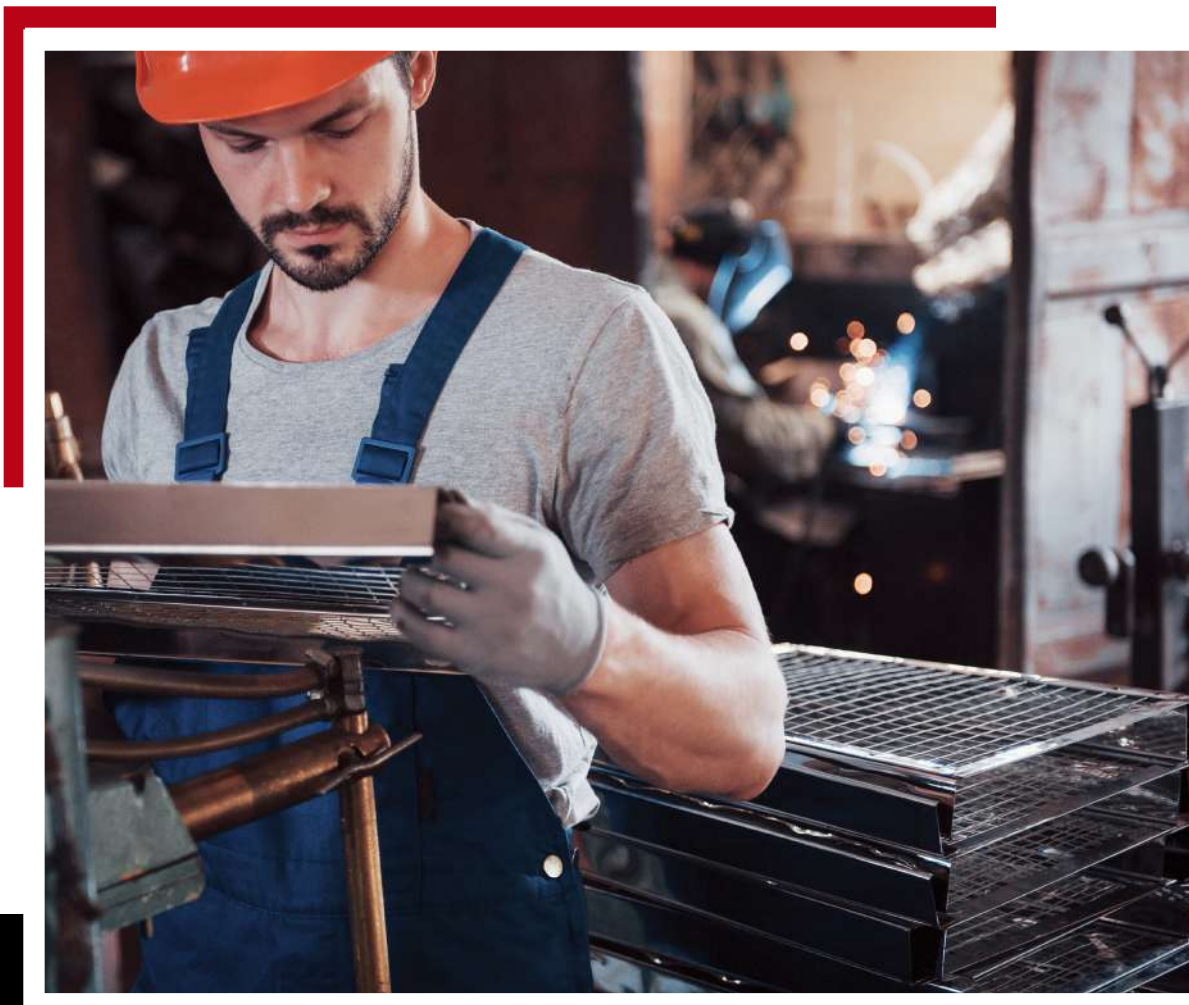

Spare parts & maintenance

We care that the facility operates with excellent performance, so we always seek the presence of professional engineers and technicians to ensure installation, maintenance and operation at full capacity,

armed with the latest equipment and supplies to achieve this.

And we remain ready for a phone call to meet the request of our customers to fulfil their orders

In addition, we guarantee the availability of all spare parts for the available equipment sets
